

RESTORATIVE CIRCLES
CIRCLE OF COMPASSION, CIRCLE OF CHANGE.

MEETING #1 - BEGINNINGS

**Thursday Oct 12 | 6-7pm
the HHA Library**

Thank You

For saying **yes, I'm interested** or even **I'll think about it**. Every movement for change starts with a few individuals who are willing to explore. If you are unable to meet for this first gathering and are still interested in exploring, send Jim a note with your best times to meet (630-306-5702).

This group is born out of our shared desire to take the wisdom of group care that is being taught at HHA to our children, to double down on those values and to show our kids that we too can build strength through bonds of understanding.
