BENTLEY

PRESENTING

YOUR BENTLEY
CONTINENTAL GT
AZURE V8

YOUR PAINT

Burgundy

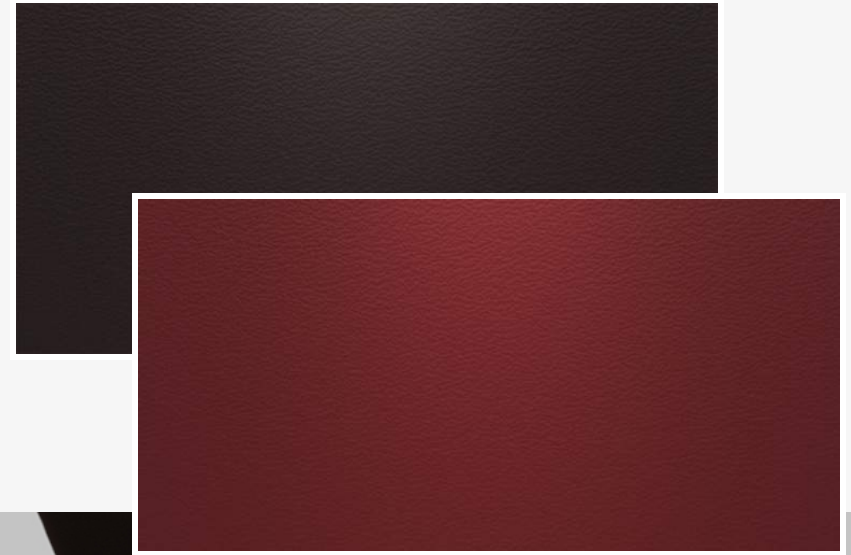

Created as a matching paint finish to the leather hide colour of the same name, Burgundy is also an excellent complementary colour when used as a duo-tone with darker shades such as Royal Ebony.

YOUR INTERIOR

Colour Split - E in Hotspur and Burnt Oak

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Dark Fiddleback Eucalyptus over Grand Black

With even more emphasis on craftsmanship, a dual veneer feature has been created to give discerning customers the choice to bring one of seven highlighted veneers together with Grand Black. The highlight veneer is applied to the upper fascia, with Grand Black applied to the console and lower fascia. The dual veneer is split by a beautiful chrome strip running the length of the fascia and into the doors.

YOUR WHEELS

22" Ten Spoke Wheel - Black Painted & Bright Machined

Striking and elegant 22" black painted and bright machined wheel, exclusive to the Azure on the Flying Spur, Continental GT and GTC.
