

◆ DISCOVER ◆ DISCIPLE-MAKING

COME AND SEE. FOLLOW ME. FISHERS OF MEN. GO

Week #1 — Disciple-Making on Jesus' Terms

This week we launched into an important series that will challenge us to rethink how we approach disciple-making. We strongly encourage everyone to take the time to go deeper into each of the week's topic.

On Sunday, Pastor Tony shared that we intentionally use the hyphenated word disciple-making rather than discipleship. Throughout church history, we have divided what should never have been divided. We have segmented discipleship and evangelism. Consider these questions as you contemplate this thought more...

1. As we look at the charge given to the Church (Matthew 28:19-20; Acts 1:8), how can dividing the mission of the church into two separate endeavors cause harm? More honestly, how HAS IT CAUSED HARM?
2. Can you see the imperative of discipleship and evangelism in the Great Commission?
3. How can this reunification of these two endeavors benefit the efforts of the local church?

This week we laid the foundation for the entire series and our disciple-making endeavors at FBCW. To make this memorable and navigable, we adopt Dann Spader's idea of 4 Chairs. These chairs are based on the four challenges that Jesus issued to His disciples...

- Chair 1 — "Come and See" — John 1:39 — Represents the Seekers/Lost
- Chair 2 — "Follow Me" — John 1:43 — Represents Believers
- Chair 3 — "Follow Me and I Will Make You Fishers of Men" — Mt. 4:19; Mk. 1:17 — Represents the Workers
- Chair 4 — "Go and Bear Fruit" — John 15:16 — Represents Fully-Equipped Disciple-Makers

As we begin this week, we are going to ask you to complete a self-evaluation. This evaluation will help you more solidly identify the chair in which you currently sit. We invite you to download the app or access it on your computer. You can then take the 4-Chair assessment and participate in what FBCW is doing through this online resource.

Registration & Access Link — This link allows new users to sign up or existing users to log in and connect with FBCW.
