ABOUT TAYLOR KRZ

Taylor Krz is a modern quilt pattern designer based in Seattle, WA, known for her captivating designs that draw inspiration from the Pacific Northwest (PNW) and incorporate a nostalgic color palette. With a background in Illustration and Design from Virginia Commonwealth University, Taylor's passion for quilting emerged in 2019 as a hands-on creative outlet alongside her graphic design career.

Combining her love for design with a newfound fabric obsession, she creates unique quilt patterns that skillfully blend familiar elements with bold geometric motifs. Taylor's distinctive style and artistic vision invites others to explore the world of quilting and embark on their own creative journeys.

ABOUT THE PATTERN

The Time Capsule Quilt draws inspiration from the Diamond Flare pattern, initially designed for the Seattle Modern Quilt Guild's Block of the Month. Captivated by the center block's striking and bold motif, I decided to expand upon it, envisioning a full quilt using the same elements. This design is perfect for confident beginners, so if you're not quite ready for the more advanced Diamond Flare pattern, this one is tailored for you.

INTRODUCTION & NOTES

This pattern is for personal use only. Please do not copy, resell or redistribute this pattern. You may sell quilts using this pattern on a small independent scale. Please credit pattern to Toad & Sew.

Please read through all of the instructions before beginning.

The pattern assumes that the quilter understands basic quilting knowledge and can keep a consistent 1/4" seam allowance. All seams should be pressed open, unless stated otherwise.

Cutting instructions: All cuts will be WOF and then broken down into smaller cuts. Sometimes a few different sections will be cut out of (1) WOF. I suggest starching your fabric before cutting as this will help prevent the fabric from stretching and will help keep a tighter seam allowance. With the amount of different sized pieces in this pattern it is recommended to label all pieces as you cut. See link/QR code below to print pattern cutting labels.

USEFUL TERMS:

WOF = Width of Fabric: the pattern assumes all fabric widths are 42"

HST = Half Square Triangle

STB = Striped Triangle Block

FABRIC REQUIREMENTS

This pattern was written to minimize as much fabric waste as possible. If you pre-wash, starch, or prefer extra wiggle room, consider ordering extra fabric.

BACKING NOTES

The backing requirements include a 4" of overage (average requirement for longarm quilters). These requirements do not account for directional fabrics or pattern matching - you may need to adjust the yardage as necessary.

**Sewn together to create one long strip - see directions below*

BED SIZE ONLY

1. Sew WOF strips marked with an *asterisk together to create one extra long strip.
2. Cut extra long strips down to (4) smaller strips using the measurements below:
 - E Pieces: (4) 45"
 - F Pieces: (4) 56"

PIECING INSTRUCTIONS

HSTs - 8-at-a-time

1. Grab a Color 1A and Color 2A square. On the lighter color, draw (x2) lines diagonally, one horizontally and one vertically through the center. **FIG. 1.** Each set makes (8) HSTs.
2. Stack one marked light square on top of one dark square with right sides together and pin in place.
3. Sew a 1/4" seam on either side of both diagonals. **FIG. 2.**
4. Cut along the original marked guidelines. **FIG. 3.**
5. Press seams towards darker fabric or open. The number in the parenthesis is the total number of HSTs needed per size. Trim your HSTs:

Trim size per quilt size:

- **Baby:** (20*) 5 1/2"
- **Small Throw:** (80) 4 1/2"
- **Large Throw:** (80) 5 1/2"
- **Bed:** (80) 7 1/4"

FIG. 1

FIG. 2

FIG. 3

*you will have (4) leftover HSTs for the baby size.

HST TRIANGLE BLOCKS

1. Using the HSTs and the Color 1B/BB pieces, assemble Rows A-E. **FIG. 4.**
2. Sew Rows A-E together, ensuring that all rows are aligned on the outer left edge.
3. Using a ruler, trim off the excess from the Color 2 pieces leaving a 1/4" for seam allowance from HST point – see arrows as a guide. **FIG. 5.**
4. Repeat until all HST Triangle Blocks are made.

Blocks needed per quilt size:

→ Baby: 2

→ Small Throw, Large Throw, Bed: 8

NOTE: Make sure Color 1BB rectangles are oriented in the correct direction. See long/short labels in Fig. 4.

NOTE: Make sure you leave a 1/4" seam allowance on the outside of the seams shown with arrows.

STRIPED TRIANGLE BLOCKS (STB)

- 1. Fold C-F pieces in half and iron lightly to mark the center point of each strip. **FIG. 6.**
- 2. Place Color 5E on top of Color 6F, right sides together, and match up center marks. Pin strips in place and sew together. Repeat process for Color 4D and 3C strips to make STB Type A. **FIG. 7.**
- 3. Repeat process for remaining strips to make STB Type A units. **FIG. 8a.**
- 4. Repeat Steps 1-3 with colors going in opposite directions to make STB Type B units. **FIG. 8b.**
