CHRISTMAS COUNTDOWN

Beginning on Friday 1st December, be at school **EVERYDAY and ON TIME** until the end of term and be entered into the **£10 Voucher Raffle** (one voucher for each Year group).

We are now collecting prize donations for our Winter Raffle. If you have any unwanted, new and unused gifts, toiletry sets or beverages, or if you or your employer are able to offer anything we could add to our raffle, we would be most grateful.

Please bring all donations to our school office.

Thank you!

KS1 Christmas Show

REMINDER: Our Christmas Show this year is 'The Perfect Present'.

Due to the number of children taking part and the halls capacities we can only offer two tickets per family, however, there will be a selection of showings to choose from at a range of times that will hopefully accommodate everyone.

We would like you to order the dates from 1st choice to last using the link provided and we will do our best to give everyone a time that suits.

F2 Theatre Trip December 2023

This year, F2 are going to watch Hansel and Gretel at Nottingham Playhouse.

- Wednesday 13th December - Dolphins and Whales
 - Friday 15th December - Turtles and Octopus.
- We will travel by coach to and from the theatre. School is heavily subsidising the cost of this trip so we are only asking for £5 per child. Please pay this through the gateway app. We will have some limited spaces for adults on this trip, these tickets will also cost £5. If you would like to come with us, please give your name to the office and we will contact you to let you know if we have enough space for you to come with us.

Polite reminder:

Please ensure your child's dinner money is in credit at all times.

Thank you for your continued support.

Year 3 & 4 Tudor Day

On Tuesday, 5th December, at Kersall Drive and Scotland Road Year 3 & 4 will be having a Tudor Enrichment Day linked to the Tudor topic this half term. Throughout the day, children will take part in many different Tudor related activities. We will ask children to dress up in Tudor style clothes for the day.

Here are some good examples:

At 2:30pm on this day we will have an open classroom and parents are invited come into the classroom and have a look through your child's book and work that we have done throughout our Tudor day!

Any questions please contact your child's teacher.

School Uniform

Uniform is now available to purchase via the Just School Wear Website

<https://tinyurl.com/nhwfw3p>

Uniform is important to create school identity and to ensure all children are included.

Polite reminder: school PE uniform should be a white t-shirt and black/navy leggings/joggers and a black hoodie/jumper.
Please note that Crocs are not suitable for school and not part of our uniform policy.

Kersall Drive EYFS church visit

Turtles and Octopus are visiting the Bulwell United Reformed Church, on Broomhill Road, on **Monday, 4th December**, to find out more about Christianity and how Christians celebrate Christmas. We need parents and carers to support us with the walk there and back.

- Turtles are leaving school at 9:15,
- Octopus are leaving school at 10:15.

Please let your child's class teacher know if you will be joining us and are able to help walk with us there and back. Thank you.

Year 2 Residential to Walesby

REMINDER: All Year 2 children who applied to go on our Year 2 residential to Walesby on Thursday 1st February to Friday 2nd February 2023 have received a place and can now pay in instalments or full on the School Gateway App.

Payments will need to be paid in full by the end of the year.

We will be holding an information evening about kit, activities etc in January so look out for the date.

THERE ARE STILL A FEW PLACES AVAILABLE IF YOUR CHILD WOULD LIKE TO GO PLEASE SPEAK TO THEIR CLASS TEACHER.

Rainbow Reading Challenge

Keep encouraging your child to read every day. Some children have completed their **Orange challenge** and are on track to Gold by summer. Find more Phonics ebooks on our website:

YEAR 4 MUSIC PERFORMANCE!

Parents and Carers of Year 4 children,

We are inviting you to come and watch our Year 4s play the instruments they have been learning with our fabulous music teachers so far this year!

Each campus will hold its own separate performance.

Thursday 7th December, 9:00-9:45am @ Kersall Drive

Friday 8th December, 9:00-9:45am @ Scotland Road

Dear Parents,

please be considerate of our neighbours when parking on surrounding streets.

What about having a nice walk, cycle or scoot to school instead? A healthy option for everyone and saves stress finding a free parking space 😊

Thank you

Heathfield Football Club News

***Monte Carlo or Bust
Crabtree 3-0 Heathfield KD***

In a high octane, adrenaline fuelled war of attrition Heathfield lost a game, with a result that did not reflect the Yellow's performance.

Going 1 nil down midway through the first half, after a great defensive passage of play, the management took a gamble and rolled the dice, sending three upfront to hunt for an equaliser. But the gamble didn't pay off. Conceding another, with the defence left wanting. After a brave Arleo took the reins in goal, the game was done going down to three goals. The spirit was high, the football was good and we go again next week. The big one, Southwalk.

Man of the match goes to a player that never stopped running, Lmari.

From your reporter in the Field Mr Leivers.

Positive Mental Health and Well-Being

This half term we are focusing on our well-being area of **BE Active**.

Physical activity has a huge potential to enhance our wellbeing. Even a short burst of 10 minutes' brisk walking increases our mental alertness, energy and positive mood. Participation in regular physical activity can increase our self-esteem and can reduce stress and anxiety.

This week why not look at being active with little movement, try a balancing activity that really tests your core strength and resilience! How long can you balance on one leg without falling?

EYFS

This Week... F2 have all taken part in a Colour Monster Mixing Day where they have been fully immersed in mixing colours just like the colour monsters in Monsters Love Colours! We have sprayed, dripped and even whisked paint to make all different shades of colours! We have also read colour mixing sentences.

In F1, we have learnt about night time, what we might see at night time and what we do to get ready to go to bed. We have talked about the importance of brushing our teeth every night! We also enjoyed our Twinkle Day, thank you to those who brought in light sources to show everyone. We had lots of fun dancing with glow sticks!

Next week...

F2 will begin to learn about shadows using the story Shark in the Dark. We will be learning to retell the story and begin to think about how shadows are made.

In F1, we will learn that day time is the opposite of night, and think about things we might see during the day. We will also think about our morning routines, what we do every day before we come to school.

KS1

This Week... Both Year 1 and Year 2 started to explore a new book called 'Lost in the toy museum' where the toys come to life once the museum closes. We have been exploring the meaning of new vocabulary, sequencing the story and creating class text maps to help us remember the story ready for writing it ourselves next week. Our budding Year 2 authors again have had a go at innovating the story- changing characters and events to make it even more interesting. In maths Year 1 have begun to subtract in different ways e.g. by crossing out or using a numberline to jump backwards. Year 2 have been adding and subtracting a 1-digit number from a 2-digit number and looking for patterns e.g.

$10+7=17$ $10-7=3$
 $20+7=27$ $20-7=13$
 $30+7=37$ $30-7=23$

In Science we have been investigating the properties of different materials and describing them using appropriate adjectives like hard, soft or bendy.

Next Week...

Christmas
Show practise
will get
underway so
get ready to
hear our songs
in your sleep.

Year 3/4

This Week...

Year 3 and 4 have been busy writing up their recounts about Warwick Castle using fronted adverbials and conjunctions. Year 3s have been working hard to understand the column method for addition and subtraction, whilst the year 4s have been learning their 3, 6 and 9 times tables and spotting patterns between them. In Geography, we have been looking at how England has changed since the Tudor period and in PE we have been learning to create a dance related to solids, liquids and gases. In RE, we ordered the events in the Christmas story and thought about the meaning of Christmas.

Next week...

we will begin our poetry unit and will start to plan a poem about Henry VIII. We will also be designing a Tudor style crown in DT, ready to make in a few weeks time.

Year 5/6

This Week... Y6 have been powering away at their formal written methods trying to master long multiplication and long division whilst Y5 have progressed onto subtraction, and looking at different strategies in order to work in the most efficient way. This will all become very useful when we try to solve problems in future! It's been newspaper writing week, and the children have enjoyed their turn to be journalists using features such as relative clauses, passive voice and quotes to get that true professional writer vibe! In history, we have been using different sources to help us discover about the time of WWII considering whether they're primary or secondary, and how that impacts reliability. Many of us have also begun to work on our practising pastel skills, and features such as slogans for the propaganda posters we aim to produce.

Next Week...

WWII EVACUTATION DAY ON WEDNESDAY 29TH. Your child can dress up and bring their favourite (non-electronic or valuable) small teddy/toy. Don't forget to send in any large plastic, and small plastic drinks bottles please! We will do many activities to put us in the shoes of those who had to live through the Blitz and the evacuations that took place because of the relentless attacks from Germany.

What Parents & Carers Need to Know about

TIKTOK

AGE RESTRICTION
13+

(certain features are restricted to over-18s only)

WHAT ARE THE RISKS?

AGE-INAPPROPRIATE CONTENT

While TikTok's "Following" feed only displays videos from users someone follows, "For You" is a stream of clips based on their previously watched content. Most videos on a child's "For You" feed will therefore be light-hearted and amusing, but it could potentially surface something unsuitable. TikTok's guidelines prohibit the sharing of illegal or inappropriate content, but the sheer volume of uploads mean they aren't manually monitored and vetted.

18
CRIMINAL

DANGEROUS CHALLENGES

Due to TikTok's immense popularity, some young people have unfortunately been influenced by videos challenging them to perform harmful, criminal or even deadly acts. One extreme example was the "blackout" trend, which encouraged users to hold their breath until they passed out from a lack of oxygen. It led to two families filing lawsuits against TikTok over the tragic deaths of their children.

CONTACT WITH STRANGERS

With around 1.3 billion users globally, the potential for contact with strangers on TikTok is high – especially as accounts created by over-18s (or youngsters using a false date of birth) are set to public by default. This not only means that someone's profile is visible to everyone else on the app, it also lets their videos be suggested to others and enables anyone to comment on them or download them.

IN-APP SPENDING

TikTok is free, but users have the option to buy TikTok coins, which can be used to purchase emojis in the app. These emojis are then sent as rewards (retaining their monetary value) to other users for videos they've created. Coin bundles range from £9.99 to an eye-watering £99. TikTok's policy is that they can't be bought by under-18s, but it's possible to bypass this with a false birthdate.

ADDICTIVE NATURE

Like all social networking platforms, TikTok can be addictive: figures show that young people are investing increasing amounts of time in it. In the UK, children with TikTok spend an average of 102 minutes per day on the app, versus 53 minutes on YouTube. This compulsive repeated use can interfere with their sleep patterns – leading to irritability – and distract them from other activities.

TIKTOK NOW

Introduced in late 2022, the 'TikTok Now' feature lets users post a daily video or photo at the exact same time as their friends. Users receive a synchronised notification at a random time of day, giving them three minutes to take a video or real-time photo. This addition can not only be a distraction to young people but could lead to them inadvertently sharing private content such as their location.

Advice for Parents & Carers

ENABLE FAMILY PAIRING

Family Pairing allows parents to link their TikTok account with their child's and control their settings remotely. Parents can then, for example, turn on Restricted Mode (reducing the chances of a child seeing inappropriate content); set screen time limits; and manage their child's ability to send messages (and to whom). Children can't alter these settings without parental approval.

MAKE ACCOUNTS PRIVATE

Although under-18s will have their TikTok account set to private by default, bypassing this setting is relatively easy. However, parents have the ability to manually set their child's account to private – meaning that their videos won't be visible to strangers and they won't be able to exchange messages with people who aren't on their friends list.

LIMIT IN-APP SPENDING

If your child is using an iPhone or Android device to access TikTok, you can alter the settings to prevent them from making in-app purchases. We'd recommend that you enable this feature, as it's quite easy for a young person – without realising what they're doing – to spend a significant amount of real money buying TikTok coins so they can unlock more features of the app.

DISCUSS THE DANGERS

If your child wants to use TikTok and you're happy for them to do so, it's crucial to talk about the potential risks in this type of app. For example, ensure they understand not to share any identifying personal information – and that they realise they could be exposed to inappropriate content. Thinking critically about what they see on TikTok can help children become generally more social media savvy.

READ THE SIGNS

If you're concerned that your child might be spending too much time on TikTok, or that they've been emotionally affected by something inappropriate or upsetting that they've seen, it's important to know how to spot the possible signs. Increased irritability and a lack of concentration are potential red flags, as are failing to complete homework or regularly not eating meals.
