

Heathfield Primary & Nursery School

Weekly News – 20th October 2023

Thriving Together

Knowledge • Nurture • Enrichment

End of Half \Term TODAY:

We have already reached the end of our first half term of this academic year. We are very proud of the progress the children are making already and particularly in their Reading and Times Tables. We have seen some fantastic homework projects appear at school over the last few weeks and look forward to more! We are off for two weeks so children return to school on Monday 6th November.

Over the half term break there is Hallowe'en and Bonfire Night. These are great fun but also need children to be aware of potential dangers – please supervise your child when Trick or Treating and with any fireworks/sparklers. **Stay Safe!**

F2 Theatre Trip December 2023

Focused on
Enrichment

This year, F2 are going to watch Hansel and Gretel at Nottingham Playhouse.

- Wednesday 13th December Dolphins and Whales.
- Friday 15th December Turtles and Octopus.

We will travel by coach to and from the theatre. School is heavily subsidising the cost of this trip so we are only asking for £5 per child. Please pay this through the gateway app. We will have some limited spaces for adults on this trip, these tickets will also cost £5. If you would like to come with us, please give your name to the office and we will contact you to let you know if we have enough space for you to come with us.

Focused on
Enrichment

Reminder: Y3/4 Warwick Castle

On Monday, 13th November, the children in Y3/4 are going to Warwick Castle. Please ensure you have given permission on School Gateway. School is covering over half of the cost of the topic. We are asking for a £7 contribution from parents/carers

Living in Harmony

Start Small Dream Big Careers project:

This week at Scotland Road we had a visit from a parent who very kindly did an assembly about his very exciting job as a sports photographer! Simon told us all about the amazing sporting events he has covered and showed us the different cameras he has used. He says one of the most important skills for his job his patience to wait for the best shot.

We would love to have more parents and carers come in to talk to the children about their careers and jobs at both campuses. Please speak to the office if you are interested and Mrs Rogers will get in touch with you.

Developing Global Citizens

Year 2 Residential to Walesby

Focused on Enrichment

If your child has received a place on our Year 2 residential to Walesby you will be informed the first week back after half term. Information on paying your deposit and trip instalments will also be shared at this time. There are still places available for Year 2 children – please speak to your child's teacher to sign up.

Year 6 Residential – July 2024

Enrichment

Positive Mental Health and Well-Being

This half term we are focusing on our well-being area of **Connect**.

Humans are sociable beings, connecting, being around others and spending time with our friends and families is really important for our well-being and positive mental health.

During the October break, why not meet up with friends and family and make some new and wonderful memories.

Next half term we will be focusing on the well-being are of 'Be Active'.

Have a Great Break!

Anti-Bullying Week 2023: Make A Noise About Bullying 13th November - 17th November

This year the theme is 'Make A Noise About Bullying' and will take place from Monday 13th to Friday 17th November. The week will be kicked off with Odd Socks Day on Monday 13th November, where adults and children wear odd socks to celebrate what makes us all unique.

Young Voices Choir :

The Young Voices concert is on Monday February 19th at Sheffield Arena. Nearer to the time we will ask for contributions towards the cost of the trip. In previous years, the school has organised the buying of tickets for parents and the buying of Young Voices branded t-shirts. We will not be doing that this year. If parents would like to see their child perform, they will need to buy tickets through the ticketmaster website. We will try to let you know as soon as we are told that it has gone live. Currently only car-parking is available to buy but this is the site where the tickets will soon go live:

<https://www.ticketmaster.co.uk/young-voices-in-concert-tickets/artist/30227>

Children can bring money to spend on the day to get their young voices t-shirts if they wish to do this. They are around £15.

Speak Out, Stay Safe

Children will be having a special assembly after half term to encourage them to speak out and stay safe.

There are a range of resources for parents/carers to use so please have a look!

Rainbow Reading Challenge

Keep reading over the holidays. Children may finish their Orange card by the time we get back to school which is fantastic! Find more Phonics ebooks on our website.

EYFS

This Week... in F1 we have been learning all about Autumn. We have been on Autumn walks to look at signs of the season. Thank you to all the parents who came on our leaf hunt, we had some very creative creatures made out of leaves! We have also been celebrating Black History Month and found out about Martin Luther King. In F2 this week, we have been concluding our work on where we live finding more out about Nottingham Castle and Robin Hood. We have also been checking how much we remember about what we have learnt this half term with our end of topic quiz. We have also been celebrating Black History Month and learning about what people's rights are and how some people have fought to make sure we all have equal rights.

Next Half Term...

In F1 our topic is called Dark and we will start using the book *Wow said the Owl* to find out about different colours. We will be learning about Firework Night, Diwali and Remembrance Sunday in the first week. In F2, our new topic is called Colours. We will start the topic reading firework poems and creating a class firework poem of our own.

KS1

This Week...

This week we celebrated Black History. We continued to explore the text 'Rocket says Look Up' by black author Nathan Byron. We have also been finding out more about Mae Jemison who is mentioned in the book. She was the first black woman to travel into space! Additionally, we have been finding out about other significant figures in black history and in particular Martin Luther King Jr. From this we discussed what rights we have.

Next Week...

Our new topic 'Toy Story' will be starting after half term. To start our topic, we are being visited by 'Toys in School' who will work with each class to make traditional wooden toys. Don't forget to complete our creative homeworks throughout the half term, they can be found in homework books.

Year 3/4

This Week... Thank you for the wonderful parent turnout at our Printing Workshops this week. We value your support and look forward to our next workshop before Christmas! Our Scotland Road Year 3's enjoyed another enrichment opportunity, sleeping-over in school. Lots of marshmallow toasting, film watching and tent pitching (plus lots of fun!) was had. In English, year 3 and 4 have been editing and finishing their non-chronological reports about the Amazon Rainforest compared to London. There have been some impressive vocabulary choices and ideas to make the layouts clearer for the reader. In Maths, we are learning how to subtract using formal written method...we are becoming a super fluent phase! In Science, we have been making posters about deforestation. We have had lots of ideas about how to reduce deforestation and its impact on living things.

First week back...

We will be celebrating Black History in English and Topic lessons for the full first week. Please consent for your child to attend the Warwick Castle Trip on the **gateway app**. We need parent helpers, so please let us know if you can support ASAP. Thankyou

Year 5/6

This Week... Year 5 and 6 have got stuck straight into their work for Black History week where we are focusing on civil rights. It all started with looking at the abolition of slavery, and the key people who were significant in making such big changes. We then moved to the 1950s/1960s and looked at sources to help us understand what life was like at this time. We then got given some very annoying restrictions such as only outdoor play, or some allowed to sit on chairs and others not to help us understand segregation. This led to our main focus which was the action people such as Martin Luther King JR, and Paul Stephenson took to make changes to ensure segregation due to skin colour was no longer allowed to continue. We wrote our own speeches to share our feelings and thoughts, and think about how we'd like the world NOW to be better.

During the holidays...

All red rainbow reading cards should be complete. Many people will be ready for yellow. Please read over the holidays to catch up. Use your online logins to keep your brain learning. Look through your overviews for our new topic – WWII.

AFTERSCHOOL CLUBS NEXT HALF TERM

Focused on
Enrichment

Football, Music and Drama clubs will continue
