From this we have not found the best fit model for the data. In order to improve the fit, we have to consider the possibility of a non-linear relationship between the variables. We can try to fit a quadratic model to the data. The quadratic model is given by:

One relationship isn't a good. Please don't let us in the community be the only ones caught and so caught. The best lesson will be useful knowledge because we can't let and our success isn't public because we don't want this place. We want to be home not here in need.

Front teeth grow in, or "ding," a hole in the dentition (usually from infection) following which, growth stops permanently. Once hearing aids are in place, the growth resumes. But the changes in the teeth bring with them the age-associated and irreversible changes in the jawbone (the jaw-spine axis). Teeth deterioration and bone loss are largely irreversible. It could lead to dentures, which is not fun.

Thank you for your kind words! I'm glad you enjoyed the post. I'll be sure to keep you updated on any new posts. Have a great day!

Breanna and Zachery eloped by the beach on September 29th, 2021:

This Christmas, we surprised our family with this photo of us in a once time swapped up for them to keep and shared the news that we are married. Our family has been so supportive of why we wanted to share the news with them. Our wedding is on hold until this pandemic gets better and when it's ready. Thank you all for your understanding, love and support. [Remember the word to us.](#)

What chapter of singleness were you in when you joined fasting and prayers?

I was in a space where I knew I needed to focus on God more. It took different life events to get me to this point. When I started the fast, I was in the world. I wouldn't say completely, but one foot in and one foot out. I started the fast as a retreat, to be able to separate myself and to focus on the promise God shared with me in Dec 2020 (that I would be getting married in Dec 2021).

How does it feel to know that God answered your prayers?

It feels amazing! God is so good! He has done wonders for me and has provided me with his best for me. God has truly done exceedingly abundantly above all I could ask or could think. Nothing in my life is possible without him.

When did you get married? Are you pregnant?

How did you meet? When did your husband know you were his wife?

Online

When did your husband know you were his wife? I don't know the exact date but it was pretty soon after meeting. I knew because he would pray with me, was intentional and didn't shy away from discussions about future plans.

What advice do you have for wives in waiting?

Marriage is just the beginning. It's not a magic pill or solution to resolve loneliness, financial discomfort and/or pure past brokenness/heartache. It's a gift from God and the covenant that you enter into is to be used to encourage others through your testimony. Ask God how he wants to use you. Seek to listen to what he says, write it down and refer back when getting off course or when you simply need a reminder. As one of the biggest lessons learned is that when you receive your promise, don't forget about God. You will always need covering.

Emily says, "God shared with me in December 2020 that I would be getting married in December 2021. All glory to God"

To make things even more mind blowing ,
When my husband sent me his picture on
Fb messenger I almost dropped my phone
because this was the EXACT MAN that
God had shown me two weeks prior in a
dream . When I say that we are SUITABLE
IN OUR PURPOSE and our ministry . When
I say that that God showed out he did ! We
cover each other in our walk with God . We
cover our family. He is UNLIKE ANY MAN
that I have encountered. This man pours
out his love without any hesitation or pride
.. He speaks life into me and our family . He
allows me to respect , love ,and cover him
.. He is intentional about loving Jesus ,
myself and our children correctly. My love
found me on Jan 31 and on Feb 20th he
proposed to me ! We are planning to get
married in June: 🙏🙏🙏🙏🙏🙏 Ladies
continue: to position yourself at God's feet
.. Continue to let him clean you up and
prepare you . Set your heart and mind on
Jesus and I promise you will see HIS

Two weeks later my business partner
informed me that I needed to create a Fb

understatement lol . Three days after my
business page was created what God
spoke was in motion . There was and
abundance of messages from randoms
but amongst them was my king. He
reached out and by the time our first
conversation came (that very same night) .
Ken knew that I was his wife . He
expressed that he too had been seeking
God for his wife . He knew me because
what he presented to the Lord . He was
able to see his prayers manifested. I was
able to see God's promises fulfilled. In the
midst of Covid my husband (a native
Texan) was led by the Lord and found me

Chardonne from Maryland is MARRIED. Chardonne met her husband 3 days after the 40 Day Fast completed in April 2020. Chardonne met him on Facebook in January 2021, 4 months before she began the 40 Day Fast however she declined his messages. Chardonne began the 40 Day Fast and the Spirit of the Lord led her to move to Maryland only to discover that her husband lived in the same city. They began talking again and their relationship became serious in July 2021. They got married 5 months later in November 2021.

Chardonne from Maryland is MARRIED! I joined Marriage Breakthrough 40 Day Fast in April 2020 and August 2020. The man I met on Facebook in December 2019 came back into my life with serious intentions 3 days after I finished the 40 day fast. I got married to Donald in November 2021.

Testimony:
I met my husband on Facebook in December 2019. He slid in my DMs and he wasn't my type.

Testimony:
God restored our relationship in June 2020. We did the 40 day fast together in August 2020.

Testimony:
God performed a miracle and my king came back into my life THREE days after I finished the 40 day fast.

Testimony:
After one month we stopped talking. I moved to Maryland and he lives there too. I did 40 days of fasting and prayers in May 2020.

Testimony:
We got engaged in June 2021.

We actually met on Facebook. I was about to leave this dating group for Christians and he slid in my DMs Dec 29th, 2019. He was previously married with 2 kids. Those 2 things I told God ABSOLUTELY NOT to. I wasn't interested in him at all when we met. About a month after we fell off a bit, God told me to move to Maryland to care for my grandmother with dementia (my father passed in 2013 and she is the only immediate family I have left on my dad's side). So, I quit my job within 2 days and packed 1 bag and flew out Maryland. Had no idea how long I would be there. I found out a week before I moved that he lived in Maryland an hour away and he was the director at a nursing home dedicated to dementia patients.

He was rejected at gunpoint December 29th, 2020 and that was a major setback. He was going to propose then. Had a ring and we were on the news. The ring was in the car. After therapy and God helping tremendously June 19th, 2021 he proposed. Nov 7th 2021 we got married.

August 2020 we both did the next 40-day fast together. We both paid and did it.

I am from Chicago. He is from Maryland. After the Carjacking, God blessed him with a new job in Virginia and we both settled down here in VA.

God has done A LOT in the past 2 years and He used you all as the vehicle to get His glory. So, thank you for being obedient. Mrs. Chardonne Donald and Mr. Omar Donald

I met my husband through my best friend! She posted a picture of me on her Instagram story and he sent her a message asking about me. They he proposed at the same restaurant he asked me to be his girlfriend with the intentions of courting for marriage

What city do you live?

Dallas, TX

When did you participate in 40 days of fasting and prayers?

I remember participating in two 40 day fast in 2021 but I remember specifically Summer of 2021. As picture my best friend posted of me that my new husband saw. I was fasting in the picture and I find it so special that God allowed his eyes to recognize his wife which was one of my prayers.

How does it feel to know that God answered your prayers?

His truly has answered PRAYER. Peace that surpasses all understanding literally. Peace that surrounds you even when there is chaos. God also speaks and continues to speak through so many people confirming that this is His will. He speaks in so many different ways giving the both of us confirmation consistently that this is His will for us.

Congratulations!!! Kayla from New York is pregnant with her husband and due any day now. 🙌 Praise God!!! The Photo, Dec 10, 2022 at 9:49 PM (local)

We did not take a photo on our wedding day due to late and circumstances of time (we were hours to late meeting our officiant in Manhattan, NY because traffic was gridlocked by road closures for the Veteran's Day Parade. We got married on 11-11-2022.)

I will forward a photo from a photographer we are planning for the holidays. We will wear what we wore on the wedding day to recreate the experience for the children.

Re: VIDEO: Type Your Name! We Are Thanking God For Your Wedding Day 🙌🙌

First off just let me say I have truly enjoyed fasting and praying with the 40 days love note journey. I was at first worried that it was too soon but I had to realize that God's timing is always perfect. Through your daily emails, prayer, and Word of God...I was able to heal, let go of counterfeits, and truly wait on God. 3 months ago I met my God-given Ephesians 5 man and July 22 we are getting married. Even through COVID-19 God is still a PROMISE KEEPER!!!! I am grateful for your ministry... Thank you ❤️

Kamisha from Texas met Michael her special man through a friend in January 2023 during Marriage Breakthrough 40 Days Of Fasting And Praying. At the beginning of cycle 10 fast, I was involved in minor accident in my car which caused my car to be in need of body repair. During this time period, I was feeling defeated and lost spiritually from opening a CDL school with the guy I am doing. The same getting in a lot of work to operate this school and build a staff. Meanwhile, the second day of Rosh Hashanah, we received a call that evening from Texas Workforce Commission granting our school a state contract to pay for every student who chooses to attend our school. This contract process takes 90 days but was granted the second week of the cycle 10 fast and second day of Rosh Hashanah. This was such a divine acceleration! This is almost unheard of in this industry sector. This financial blessing came at a time that was not expected. Two days after this breakthrough, Michael purchased me a second car while I await my primary car's removal is so good! A double portion blessing during Rosh Hashanah! Birth of promises is good ground! Below are photos of my primary car accident and photos of the truck that Michael purchased as my second car.

Testimony: I was single for 5 years & I met someone special in December 2020 during the 40 day fast 🙏🙏🙏

Am 38years old this year but I haven't had anyone looking in my direction for 5years now. The last guy I was with just had me in a situation and when I called it off, I promised myself and prayed to God to only send through my husband. No jokers, no clowns, no counterfeits and no players. It was just last year around Oct when I seriously started praying against this soul tie because it was such a stronghold.

The cheeky text you send your girlfriend when she asks "Wait is there someone new?" 🙏🙏🙏

After a very long time now, someone was bold enough to notice me and express his feelings to me. 🙏

**Testimony: Grace met somebody!!! 🏃🏃💍💍
Hallelujah!!! The spirit of God is moving!!!
👫💍❤️ Grace was approached by a man
with intentions to marry on October 26th 2021
less than one month after 40 days of fasting.**

Hi Birth the promise,

My name is Grace. I'm 24 years old. I joined the BIRTH THE PROMISE 40 DAYS of fast for supernatural marriage on September 1st and finished it on October 10th.

On October 26, a man from my church invited me on a date. He revealed that he had been watching me from afar for almost two years !! I asked him what made him declare his interest for me now and he said he didn't know how to explain it. I understand that the prayers and the fasting activated something in him and made him ready !!

I've known him, but I never considered him for marriage. It's as if God closed my eyes for all these years. He told me about marriage right away and now we're building a stronger relationship, getting to know each other and informing ourselves on the proper steps to make it happen.

This fast really propelled me and helped me position myself for marriage. I learned so much. I'm really grateful for all the work your team put into it.

May the Lord remember you,
Grace

Hi Minister Yvonne,

Thank you for our prayer session today. I wanted to add to Donna's story. During cycle 10 I was able to separate myself from someone I was dating for two years (we've separated once in the past for a couple months, but reconnected). Great guy, but he was not able to commit. And because of his high demanding career he was unsure of whether he wanted more kids (he has a son). We just didn't align. I eventually decided to put myself back on the dating apps. On 10/17 I reconnected with someone I went on a date with a few years back. The date went very well, but at the time he lived about two hours away from me. I was hesitant to try the distance relationship, and eventually started dating someone else. Flash forward to today. He now lives closer to me, and the list checks off in regards to alignment and the things we both want in life. He's excited and claims he's ready to pursue me. Because of my past, I don't like to get excited too quick. But I'm looking forward to seeing where this goes. I pray for discernment! I just wanted to share this with you! I hope you have an amazing day!

Minister Yvonne!

Guess who got a mini raise today? My job title upgraded about two weeks ago. My supervisor let me know that I was already making as much as my co-workers who work in the same modality as me. Because of that, she wasn't sure if I'd be able to get a raise. She pulled me in her office today and said it was extremely difficult, but she made it happen! It's not huge, but I'm grateful!

Madi received unexpected finances at the end of September 2023. "So last September I was blessed to purchase a condo! I went to check the mail earlier today and received a letter from the bank but didn't expect anything of it. I just opened the letter and it's a check from escrow reimbursing me some unexpected funds! I just want to give God all the glory!! I can't wait to see what else He has in store for me!!" Madi joined Marriage Breakthrough 40 Days Of Fasting And Praying in September 2023. Congratulations Madi!!

Hi Minister Yvonne,

I just want to thank you for all the work you continuously do! Your prayer calls have gotten me through some emotionally difficult times. I would like to share a small blessing that God has given me. I joined the break through fast in September (and I've also joined a few in the past). We've been praying for God's favor and all types of blessings lately. So last year September I was blessed to purchase a condo! I went to check the mail earlier today and received a letter from my bank, but didn't expect anything of it. I just opened the letter and it's a check from escrow reimbursing me some unexpected funds! I just want to give God all of the glory!! I can't wait to see what else he has in store for me!! Feel free to share but I'd prefer if you kept my name simple and referred to me as just Madi. I'm private and don't like everyone in my business lol.

Thank you once again and may God continue to bless you and your work!

Madi ❤️
