

# TASTEMAKERS 2026 FAQ

## What formats do you provide books in?

We provide digital ARCs (PDF), print ARCs, galleys, and finished copies.

## Am I guaranteed to receive the books I request?

We may not always be able to get you the book you request. Digital copies are always available. If you have accessibility needs that prohibit you from reading books in a certain format, please indicate that in your sign-up form.

## What is required of me when I receive a title?

While you are not required to post about the books you receive, our hope is that you will read, enjoy, and spread the word about our books. If you choose to post about the book, please disclose that you received it for free (e.g., use #ad or #[Brand]partner), share only honest opinions, and follow platform policies.
