

# **Ascension Service Booklet**

## **“For the Ascension of Planet Earth and All Mankind”**

**Our service today is about Ascension: our own personal ascension, and the ascension of the planet and it's people. Planet Earth is in the throes of ascending to a new and higher dimension, that can be described as a higher level of consciousness. We are ascending to the level of the Christ consciousness, and the Christ is returning to reside in all of us.**

**Giving the following degrees help us to get in touch with that Christ energy that is within us all, and with the plan of ascending to that new level of Christ consciousness.**

## SEALING

Hear Oh Universe, we are so grateful for the Path of Light, for the Divine guidance, for the opportunity to serve. We call for the sealing of the divine alchemy that has taken place during this service. Let the energies we invoked be multiplied by the power of the three times three and ten thousand times ten thousand, and let them flow to all souls of Light on earth who are meant to be awakened to the knowledge of the eternal Truth of Ascension and the Flame of Resurrection. Let the result of our work be sealed in an invincible sphere of blue flame, and let the sphere of protection be strengthened by the golden flame of Divine Wisdom and the pink flame of Divine Love. Let it be done according to the holy will of God. Amen.
