

Peterloon Vendors,

To align with recently updated camping guidelines aimed at ensuring the safety and security of our Scouts during Scouting activities, we have implemented some modifications to our Peterloon camping procedures. These guidelines are essential to create a safe and enjoyable environment for our youth. Please read the following information carefully and ensure its dissemination to your staff.

**1. No one-on-one contact with scouts:** In accordance with our policies, no adult can have one-on-one contact with scouts.

**2. Vendors staying overnight:** No vendors can stay overnight without Executive Committee Approval.

**3. Youth Protection Training:** The above procedures are in line with the BSA Youth Protection Policy. If you would like to be informed / trained on the BSA Youth Protection policy you can do so here: <https://www.scouting.org/training/youth-protection/>

These changes are implemented with the primary goal of ensuring the safety and well-being of our Scouts. We are committed to providing a secure and enjoyable Scouting experience for all participants.

Thank you for your dedication to the scouting program and for helping us create a safer environment for our young Scouts.
